National Mustard Day is celebrated annually at the National Mustard Museum on the first Saturday in August. It is a fun-filled day for the whole family and has traditionally included FREE hot dogs as well as music, games, other entertainment, FREE mustard sampling, and more. The Mustard Museum has been the official sponsor of this event since 1991.

On Saturday, August 7, 2010, the event will be staged at the new home of the Museum in Downtown Middleton, Wisconsin for the first time from 10 to 4pm, rain or shine, at the corner of Parmenter and Hubbard.

The National Mustard Museum is pleased to support Restoring Hope Transplant House during National Mustard Day. Restoring Hope Transplant House is a non-profit home in downtown Middleton that will soon offer comfortable and affordable housing to transplant patients and their caregivers. Proceeds from the Mustard Games and all donations will benefit Restoring Hope.
